

## Internet Release Form

Dear Parents,

During the 2008 calendar year, your child will have several opportunities to contribute content to the One Room Schoolhouse website. Content may include video or audio podcasts, artwork, presentations and written compositions. Internet security is a serious matter. For this reason, any student work published on the **One Room Schoolhouse** website will be accompanied by only a first name (and last initial if students share the same first name). **No photographs or personal information of your child will be published.**

Please complete the form on the back of this page regarding your child's work being published on our website. If you have any questions about the website or how your child's work will be displayed, please don't hesitate to contact us at **tglazatov@eyesandearsca.com**. Thank you!

I have read the information concerning **the One Room Schoolhouse** website and I grant permission for my child's work to be published on the site during the 2007/2008 school year.
